

Rights Card (Alt + R)

Rights Card option enables user to view the rights provided by the admin user for operating Cygnnet FACE.

On clicking option or on pressing the shortcut (Alt + R), a popup will be displayed to user as shown below:

User can view the list given rights and can click on OK (Alt + O) to close the popup.

On clicking the Help (Alt + H) button, the selected module related help will be displayed to user.
